ORDER GUIDELINES

Welcome to our straightforward solution to ordering new visual merchandising and packaging elements for all your jewelry display needs. Regardless of which elements or styles you choose, we will custom make each component to create a cohesive look for your brand.

All you need to do is help our professionals work through your specific needs by collecting the following information and taking note of the below helpful hints for success.

Establish your packaging needs based on your existing collection and how this might grow or change in the coming seasons. Our design processionsals will help you optimize quantities of each piece based on your catalog and sales history.

STYLE

You can choose from a variety of showcased boxes and packaging elements which vary in style. Helpful terms to consider such as "Modern," "Classic," "Timeless", etc. will help our design professionals ensure that you are creating a cohesive look throughout your brand.

COLOR

We offer material colors and textures from all established companies within the US and abroad. Understanding your brand, store décor, color pallet, and budget will help our team recommend the most appropriate materials and fabrics that the industry has to offer.

CUSTOM

We offer custom design services should you have display needs that are not met by any of the showcased elements or line items. All we need is your help in understanding your design objectives and we will provide you with custom display and packaging solutions to satisfy every need.

HELPFUL HINTS FOR SUCCESS
